Participating During a Public Comment Period

At certain times during the event, the facilitator may call for public comment.

Using the Question & Answer feature (Q&A):
If you would like to make a public comment, click on the ‘Q and A’ button near the bottom, center of your WebEx session.

This will bring up the ‘Q and A’ chat box.

NOTE: The ‘Q and A’ button will only be available when the event host opens it during a public comment period.

Make sure the ‘Ask’ menu is set to ‘All panelists’ and type ‘I would like to make a public comment’.

Using the hand raise feature:
If the program elects to allow use of the hand raise feature and you would like to make a public comment, click on the hand icon next to your name.

Please click on the hand icon again once your comment has been presented to lower your hand.
Attendee lines will be unmuted in the order the requests were received, and you will be allowed to present public comment.

When you are identified as the next commenter, the moderator will unmute your line, sending you a request to unmute yourself. Clicking “unmute me” on the pop-up window will open your microphone. You may then begin providing your public comment.

NOTE: Your line will be muted at the end of the allotted public comment duration. You will be given a warning that your time is about to expire.
