DISCIPLINARY ORDER

IT IS HEREBY ORDERED that the application of Respondent Ryan David Cortez for an Appliance Service Dealer Registration is hereby granted. Upon successful completion of all licensing requirements, a license shall be issued to Respondent. Respondent’s license will be issued and immediately revoked, the order of revocation will be stayed and the Respondent placed on three (3) years probation on the following terms and conditions.

1. **Obey All Laws.** During the period of probation, Respondent(s) shall comply with all statutes, regulations and rules governing electronic and appliance repair.

2. **Comply with Probation Program.** Respondent shall fully comply with the probation established by the Bureau and shall cooperate with the representatives of the Bureau.

3. **Submit Quarterly Reports.** Respondent shall submit quarterly reports, under penalty of perjury. The reports shall certify and document compliance with all the conditions of probation.

4. **Maintain Valid Registration.** Respondent shall, at all times while on probation, maintain an active current registration with the Bureau, including any period during which suspension or probation is tolled.

   Should Respondent's registration, by operation of law or otherwise, expire, upon renewal or reinstatement Respondent's registration shall be subject to any and all terms of this probation not previously satisfied.

5. **Personal Appearance at Bureau Office.** Report, by personal appearance of Respondent or Respondent's authorized representative, to the Sacramento office on a schedule set by the bureau, but no more frequently than each quarter, on the methods used and success achieved in maintaining compliance with the terms and conditions of probation.

6. **Cooperation with Bureau Inspections.** Provide Bureau representatives unrestricted access to inspect all business locations, including business records required to be maintained in accordance with Section 9847 and 9847.5 of the Business and Professions Code.

7. **Violation of Probation.** If a Respondent violates the conditions of his probation, the Bureau, after giving the Respondent notice and an opportunity to be heard, may set aside the stay
order and impose the stayed discipline revocation of the Respondent's registration.

If during the period of probation, an accusation or petition to revoke probation has been filed against Respondent's registration or the Attorney General's Office has been requested to prepare an accusation or petition to revoke probation against the Respondent's registration, the probationary period shall automatically be extended and shall not expire until the accusation or petition has been acted upon by the Bureau. Upon successful completion of probation, the Respondent's registration will be fully restored.

8. **Abstain from Use of Psychotropic (Mood Altering) Drugs:** Respondent shall completely abstain from the possession, injection or consumption by any route of all controlled substances and all psychotropic (mood altering) drugs, including alcohol, except when the same are ordered by a health care professional legally authorized to do so as part of documented medical treatment. Respondent shall have sent to the Bureau, in writing and within fourteen (14) days, by a prescribing health professional, a report identifying the medication, dosage, the date the medication was prescribed, Respondent's prognosis, the date the medication will no longer be required, and the effect on the recovery plan, if appropriate.

9. **Submit to Tests and Samples:** Respondent, at his expense, shall participate in a random biological fluid testing or a drug screening program which the Bureau approves. The length of time frequency will be subject to approval by the Bureau. Respondent is responsible for keeping the Bureau informed of Respondent's current telephone number at all times. Respondent shall also ensure that messages may be left at the telephone number when he is not available and ensure that reports are submitted directly by the testing agency to the Bureau as directed. Any confirmed positive finding shall be reported immediately to the Bureau by the program and Respondent shall be considered in violation of probation.

In addition, Respondent, at any time during the period of probation shall fully cooperate with the Bureau or any of its representatives, and shall, when requested, submit to such tests and samples as the Bureau or its representatives may require for the detection of alcohol, narcotics, hypnotics, dangerous drugs, or other controlled substances.

If Respondent fails to participate in a random, biological fluid testing or drug screening
program within the specified time frame, Respondent shall immediately cease operating his business and shall not resume operating his business until notified by the Bureau. After taking into account documented evidence of mitigation, if the Bureau files a petition to revoke probation or an accusation, the Bureau may suspend Respondent from operating his business pending the final decision on the petition to revoke probation or the accusation. This period of suspension will not apply to the reduction of this probationary time period.

10. **Tolling of Probation:** Respondent's probationary period is tolled, if and when he fails to own and operate a Bureau-licensed business in California. Respondent must provide written notice to the Bureau within fifteen (15) days of any such change of license status.

These terms and conditions are intended to protect the public from continued illegal behavior and to facilitate the rehabilitation of the probationer without being unduly burdensome or anti-competitive.

11. **Surrender of License:** During probation, if Respondent ceases practicing due to retirement, health reasons, or is otherwise unable to satisfy the conditions of probation, Respondent may surrender his license to the Bureau. The Bureau reserves the right to evaluate Respondents request and to exercise its discretion whether to grant the request without further hearing. Upon formal acceptance of the tendered license, Respondent will no longer be subject to the conditions of probation.

Surrender of Respondent's license shall be considered a disciplinary action and shall become a part of Respondent's license history with the Bureau. A licensee who surrenders his license may petition the Board for reinstatement no sooner than one (1) year from the effective date of the disciplinary decision for the surrender.

12. **Licenses for Other Locations:** So long as Respondent is compliant with these probationary conditions, Respondent maybe licensed for any other locations during his probationary term. Any future licenses applied for by Respondent and conditions as stated herein.
