ITEM 36
COMPUTATION OF TIME UNDER THE HOURLY RATES
NAMED IN ITEMS 320 AND 340

1. In computing charges accruing under the hourly rates contained in Item 320, the time used shall be the total of loading, unloading and double the driving time from point of origin to point of destination, subject to EXCEPTIONS 1 through 3.

EXCEPTION 1 – When the mover is required to perform more than one trip between origin and destination, the time used shall be the total of loading and unloading time, to which will be added double driving time for the first trip from origin to destination and actual driving time for all additional trips between origin and destination for each motor vehicle furnished by mover.

EXCEPTION 2 – When two or more shipments are transported on a unit of equipment at the same time, the time used shall be the total of loading and unloading time plus 25 minutes total driving time for each shipment.

EXCEPTION 3 – When a split pickup, split delivery, or split pickup and split delivery in combination is performed, the time used shall be computed in accordance with the provisions of Items 148, 152, or 156, respectively.

2. When the shipper requests the service of an additional helper or helpers to assist in loading or unloading, but not both, the charge shall be determined by applying the rate per person per hour provided in Item 320 for additional helpers(s) to both the time helper or helpers are engaged in performing these services and double the travel time required for helper(s) to travel from mover's place of business to point of loading or unloading.
3. When two or more units of equipment are furnished for transportation of a single shipment and the driver and/or helper(s) of any one unit assist in loading and unloading another unit, the time such persons are so engaged shall be charged for at the rate provided in Item 320 for additional helpers. During any such interval, time shall not accrue for the unit or units of equipment not being loaded or unloaded.
4. When packing and/or unpacking service is provided on hourly moves, the time actually spent packing or unpacking or both shall be recorded on the shipping document in accordance with paragraph 5 of this item. Rates for packing and unpacking shall be no higher than those provided in Item 340. When packing and unpacking is performed at hourly rates, time shall be the total time actually spent packing or unpacking or both.

**ITEM 36 (Concluded)

5. A mover's shipping documents shall contain a legible record of all starting and ending times, accurate to the minute, for each phase of service rendered under the provisions of paragraphs 1, 2, 3 and 4 hereof. Such times shall be totaled and the sum converted into hours and/or fractions thereof. Fractions of an hour shall be determined in accordance with the following table:

<u>Over</u>	Minutes	<u>but Not Over</u>	Fractional Hour
0 -----		7 -----	Omit
7 -----		22 -----	¼
22 -----		37 -----	½
37 -----		52 -----	¾
52 -----		60 -----	1

Each shipment shall be rated separately. Shipments shall not be consolidated or combined by the mover.

NOTE: Component parts of a shipment may be combined under the provisions of Items 148 (Split Pickup), 152 (Split Delivery), or 156 (Split Pickup and Split Delivery Combination).

**ITEM 56
MIXED SHIPMENTS**

When one or more commodities for which rates are not provided in this Tariff are included in the same shipment with commodities for which rates are herein provided, the rate or rates applicable to the entire shipment may be determined as though all of the commodities were ratable under the provisions of this Tariff at the combined weight of the mixed shipment; or the commodities for which rates are provided in this Tariff may be transported at the applicable rates provided herein and the commodities for which rates are not provided herein may be transported at the rates provided in other Tariffs or at rates which might be otherwise applicable, provided separate weights or other authorized units of measurement are furnished or obtained. In the event the latter basis is used, rates no higher than those provided in this Tariff shall apply to the entire shipment.

**ITEM 60 ♦
DIVERTED SHIPMENTS**

ITEM 76
REFERENCES TO ITEMS, OTHER TARIFFS, AND OTHER DOCUMENTS

Unless otherwise provided, references herein to Bureau regulations, PUC General Orders or item numbers in this or other tariffs include amendments and successive issues of such items or documents.

ITEM 80

1. The weight to be used in assessing charges stated on a weight basis shall be the weight of property tendered for transportation. Such weight shall not include the weight of pads, empty containers, dollies, hand trucks or other mover equipment.
2. Prior to delivery and unloading of a shipment transported under distance rates contained in Item 310 or 390, the mover shall arrange to determine the weight of such shipment by obtaining a weighmaster's certificate or weight ticket. On shipments estimated as weighing less than 1,000 pounds, the mover may have the shipment weighed over platform or hand scales in lieu of obtaining a weighmaster's certificate, provided a written statement of weight signed by the weigher is obtained.
3. No charge shall be made for such weigh service.

**ITEM 80 (Concluded) ♦
WEIGHTS AND WEIGHING**

4. In instances where more than one weigh-master's certificate or weight ticket has been obtained covering the same shipment, the lowest of the net scale weights shall be used in computing the applicable charges.
5. The mover, upon request of shipper, owner, or consignee, when made prior to delivery of a shipment and when practicable to do so, will reweigh the shipment. No charge will be made if the difference between the two net scale weights exceeds 100 pounds on shipments weighing 5,000 pounds or less or exceeds two (2) percent of the lower net scale weights on shipments weighing more than 5,000 pounds. The lower of the two net scale weights shall be used for determining applicable charges. If the difference between the two net scale weights is less than stated above, an additional charge of up to \$52.50 may be assessed for each such re-weighing service requested.
6. When requested by the shipper, the mover will notify shipper by telephone, email, or fax (as requested) of weight and/or charges.

**ITEM 84
NOTIFICATION TO SHIPPER OF CHARGES**

Whenever the shipper specifically requests notification of the actual weight and charges on a shipment rated under distance rates in Item 310 or 390 and supplies the mover with an address, telephone, email address, or fax number, the mover shall comply with such request immediately upon determining the actual weight and charges.

**ITEM 88
RELATIONSHIPS WITH THE PUBLIC**

Any mover doing business under one or more fictitious names shall, with respect to each fictitious name, comply with Business and Professions Code of California, Chapter 5, Part 3, Division 7, entitled, "Fictitious business names". To show compliance, the mover shall file with the Bureau certified copies of fictitious business name statements and affidavits of publication required to be filed with the county clerk for mover's principal place of business.
2. Upon abandonment of fictitious business name, any mover doing business under one or more fictitious names shall file with the Bureau a statement of abandonment of fictitious business name.

 - (a) All names, both real and fictitious, used by the mover in conducting its operations.
 - (b) The address of its principal place of business, designated as such, and of such local offices as may be desired where business with the public is conducted.
 - (c) Identification of the name under which the particular transportation is performed where more than one name is listed.
 - (d) The mover's Bureau issued number (CAL-T_____).
4. The mover's books of account shall separately show the revenues derived from operations conducted under each name used by mover.
5. Movers listing more than one name in the classified section of a telephone or online directory shall cross-reference each name to all other names listed.
6. Movers shall not advertise rates in any telephone or online directory.
7. Printed advertising matter, including hand bills, newspaper advertising, classified telephone directory listings, and advertisements which advertise or solicit the intrastate movement of used household goods shall show the household mover's "T" number as issued by the Bureau. The number shall be printed in this manner: "CAL-T_____."
8. Movers shall not, in any manner, misrepresent their rates nor the scope of services offered to the public. Specifically, movers shall:
 - (a) Not advertise or otherwise represent themselves under any name different from that under which their effective permits are issued by the Bureau.

EXCEPTION: Movers who are duly authorized agents for other movers, as defined herein, or motor carriers operating in interstate commerce under federal jurisdiction, may advertise and represent themselves as such an agent.
 - (b) Make it clear to the customer whether the mover is acting on its own authority or as an agent for another mover.

RELATIONSHIPS WITH THE PUBLIC

- (d) Not include misleading descriptions or displays of nonexistent facilities or equipment in any advertising.
 - (e) Not willfully quote or estimate a lower rate or charge knowing the actual rate or charges will be more than the quote or estimate.
9. Movers shall furnish to each prospective shipper a copy of the information specified in Item 470 of this Tariff, the Important Information for Persons Moving Household Goods booklet. The format may be that which the individual mover finds most convenient. If the shipper received, from any source, all information contained in Item 470 in a readable form, this item's requirements will have been met (see NOTES 1 and 2).
- (a) This informational material shall be furnished to the prospective shipper at time of first in-person contact between mover's personnel and the shipper or shipper's representative or when the "Agreement for Moving Services" (Agreement) is given to the shipper.
 - (b) If a move is arranged and confirmed by mail, the internet, or telephone, and no in-person contact with the prospective shipper is made prior to the day of the move, the mover shall provide the prospective shipper with a copy of the informational material set forth in Item 465 of this Tariff prior to moving day by e-mail with an electronic copy of the Agreement (Item 450) attached. If sufficient time remains, the mover may send the informational material with a paper copy of the Agreement by regular mail. Attaching an electronic link to a website with the informational material or the Agreement is prohibited and does not comply with this item.
 - (c) The mover performing the move must obtain the shipper's signature on the Agreement before the move begins that the shipper has received the informational material from the mover or another source.
 - (d) All receipts for the information shall be retained in the mover's records for a period of three years and shall include name of shipper, carrier bill of lading number, date and signature of shipper (see NOTE 1).
 - (e) Any mover performing transportation of goods described in Item 12 who has not complied with paragraph 9 of Item 88 in its entirety shall pay the shipper \$100 upon completion of the move.
10. Movers shall follow all applicable rules set forth in Item 10 regarding the use of electronic documents, electronic signatures, and electronic document retention.

NOTE 1: For the purpose of this item, the prospective shipper is the owner of the tendered used household goods, regardless of who pays the freight charges.

ITEM 88 (Concluded)
RELATIONSHIPS WITH THE PUBLIC

NOTE 2: For multiple or repeat shippers, a Master Agreement may be used to cover all moves for that shipper rather than individual Agreements for each move. Such Master Agreement must accomplish the purpose of this Tariff, not violate the intent of the Tariff, and shipping documents must reference the Master Agreement where appropriate.

ITEM 92
CLAIMS FOR LOSS AND DAMAGE

1. Written Claims Required

A claim for loss or damage need not be voluntarily paid by a mover unless filed in writing as provided in paragraph 2 below. The claim must be filed with either the receiving or delivering mover, mover issuing the shipping document, or mover on whose line the alleged loss or damage occurred. The claim must be filed within the specified time limits established in paragraph 14 and as otherwise required by law, the term of the shipping document or other contract of carriage, and all applicable Tariff provisions.

2. Minimum Filing Requirements

A written communication from a claimant filed with a mover within the time limits specified in paragraph 14 of this item will be considered in compliance with the provisions for filing claims if it contains the following information:

- (a) facts sufficient to identify the shipment (or shipments) of property involved;
- (b) assertion of liability for alleged loss or damage; and
- (c) claims for payment of a specified or determinable amount of money.

3. Documents to Support Claims

Bad-order reports, appraisal reports of damage, notations of shortage or damage, or both, on freight bills, delivery receipts, or inspection reports issued by movers or their inspection agencies, whether the extent of loss or damage is indicated in dollars or not, may be used to support a written claim filed in accordance with paragraph 2 of this item, but may not be filed in lieu of a written claim.

4. Claims Filed for Uncertain Amounts

Whenever a claim is presented against a mover for an uncertain amount, such as "\$100 more or less," the mover will determine the condition of the shipment involved at the time of delivery and will ascertain as nearly as possible the extent of the loss or damage for which it may be responsible. The mover need not, however,

ITEM 92 (Continued)
CLAIMS FOR LOSS AND DAMAGE

voluntarily pay a claim under such circumstances unless and until a claim in writing for a specified or determinable amount of money has been filed in accordance with the provisions of paragraph 2 of this item.

5. Other Claims

If investigation of a claim reveals that one or more other movers had been presented with a similar claim on the same shipment, the mover investigating such claim will communicate with each other mover and prior to any agreement entered into between or among them as to the proper disposition of such claim or claims, will notify all claimants of the receipt of conflicting or overlapping claims and will require further substantiation on the part of each claimant of his title to the property involved or his right with respect to such claim.

6. Concealed Damage or Shortage

The mover must be promptly notified after discovery of concealed damage or shortage and be given reasonable opportunity to inspect the shipment and packing. The mover will promptly and thoroughly investigate the claim and will establish a claim file in connection therewith.

7. Supporting Documents

When necessary for an investigation, each claim must be supported by a duplicate shipping document (if not previously surrendered to the mover) and the original paid bill for transportation services or a copy thereof. For each article claimed, the nature and extent of damage must be identified, as well as the basis for amount claimed, i.e. date article purchased, original cost, amount of depreciation, actual cash value at time of loss or damage, and in the case of damage, repair estimate.

8. Verification of Loss

When an asserted claim for loss of an entire package or an entire shipment cannot be otherwise authenticated upon investigation, the mover will obtain from the consignee a certified written statement that the property for which the claim is filed has not been received from any source.

9. Satisfaction of Claim

The mover may satisfy a claim by repairing or replacing the property lost or damaged with materials of like kind, quality and condition at time of acceptance by the mover.

ITEM 92 (Continued)
CLAIMS FOR LOSS AND DAMAGE

10. No Liability Following Deliveries

The mover shall not be liable for loss or damage occurring after the property has been delivered to or receipted for by the consignee or shipper, or the authorized agent. When the mover is directed to unload or to deliver property (or render any services) at a place or places at which the consignee or its agent is not present, the property shall be at the risk of the owner after unloading or delivery. Notwithstanding these provisions, no claim against a household mover shall be denied solely because the lost or damaged goods were not noted at the time of delivery.

11. No Liability at Origin Prior to Loading

Where the mover is directed to load property from (or render any service at) a place or places at which the consignor or its agent is not present, the property shall be at the risk of the owner before packing and loading.

12. "Pairs and Sets" Liability

The mover's liability regarding sets or matched pieces shall be limited to repair or replacement of the lost or damaged piece(s) only and shall not extend to repair or replacement of the entire set; but in no event exceed the limits of liability as set forth in Item 136 hereof.

**ITEM 92 (Continued)
CLAIMS FOR LOSS AND DAMAGE**

13. Constructive Weight of Packed Interior Shipping Containers

When the liability of mover is to be measured by the weight of the article lost or damaged and the article is packed in an interior shipping container, in the absence of specific evidence to the contrary, such interior shipping container will be deemed to have the following weight:

<u>Container</u>	<u>Weight Per Container (In Pounds)</u>
DRUM, DISH-PAK	60
CARTONS:	
Less than 1½ cu. ft.	20
1½ - Less than 3 cu. ft.	25
3 - Less than 4½ cu. ft.	30
4½ - Less than 6 cu. ft.	35
6 - Less than 6½ cu. ft.	45
6½ cu. ft and over	50
Wardrobe carton	50
Mattress or box-spring carton (Not exceeding 54" x 75")	60
Mattress or box-spring carton (Exceeding 54" x 75")	80

NOTE 1: Cartons containing books or phonograph records will be deemed to weigh 50 pounds.

NOTE 2: Cartons containing lampshades will be deemed to weigh 10 pounds.

NOTE 3: Items not identified on the inventory as to contents will be settled by using the heaviest weight on the schedule for the container.

14. Time Limit for Filing Claims

As a condition precedent to recovery, a claim for any loss or damage must be filed in writing with the mover within nine (9) months after delivery to consignee as shown on shipping document, or in case of failure to make delivery, within nine (9) months after a reasonable time for delivery has elapsed; and suit must be instituted against the mover within two (2) years and one (1) day from the date when notice in writing is given by the mover to the claimant that mover has disallowed the claim or any part or parts specified in the notice. Where a claim is not filed or suit is not instituted in accordance with the foregoing provisions, the mover shall not be liable and such claim need not be paid.

ITEM 92 (Continued)
CLAIMS FOR LOSS OR DAMAGE

15. Acknowledgement and Settlement by Mover

Every mover receiving a written claim for loss or damage to property transported by it shall acknowledge receipt of such claim in writing to claimant within 30 days after receipt by the mover or mover's agent. The mover shall, at the time claim is received, record date of receipt.

Every mover receiving a written claim for loss or damage to property transported by it shall, in writing, pay, decline to pay, or make a firm compromise settlement offer to claimant within 60 days after receipt of claim by the mover or its agent. If the mover declines to pay or offers a lesser amount than sought, the mover shall, in writing, state the basis for denial or reduction.

If, for reasons beyond the control of the mover, the claim cannot be processed and disposed of within 60 days after receipt, the mover at that time and at the expiration of each succeeding 30-day period while the claim remains pending, shall advise claimant in writing of the status of the claim and reasons for the delay in making final disposition thereof, and shall send a copy of such letter to the Bureau of Household Goods and Services, Division of Household Movers, 4244 South Market Court, Suite D, Sacramento, CA 95834.

16. Claim Register

Every mover of used property as provided in this Tariff, shall maintain a claim register showing, for each cargo loss and damage claim received, the claim number, date and amount; the shipping order or freight bill number and date; name of claimant; kind of commodity; date claim was paid; total amount paid (or date claim was disallowed and reasons); amount of salvage recovered, if any; amounts reimbursed by insurance companies, connecting mover, or other, and the amount absorbed by the mover. Each claim received shall be entered in the register and should be supported by the complete file of claim papers. However, if the original claim papers are retained by insurance companies, connecting movers or other, the mover's records shall contain copies of all documents and an acknowledgment from the party retaining the claim file that the original papers are in its possession.

17. Salvage

Whenever property transported by a mover is damaged or alleged to be damaged and, as a consequence, is not delivered or is rejected or is refused upon tender to the owner, shipper, or consignee, the mover may follow the salvage rules. The mover must give due notice to the owner and other parties that may have an interest in the property, whenever practicable to do so. After giving notice, the mover, if not advised to the contrary by the interested parties, will undertake to sell or dispose of such property directly or by the employment of a competent salvage

agent. The mover will dispose of the property only in a manner that will fairly and equally protect the best interests of all persons having an interest therein. The mover will make an itemized record sufficient to identify the property involved so as to be able to correlate it to the shipment or transportation involved, and claim, if any filed thereon. The mover will also assign to each lot of such property a successive lot number and note that lot number on its record of shipment and claim, if any claim is filed.

Upon receipt of a claim on a shipment on which salvage had been processed in the manner described, the mover will record in its claim file the lot number assigned, the amount of money recovered, if any, for the disposition of such property, and the date of transmittal of such money to the person or persons lawfully entitled to receive the same.

ITEM 94 ♦
CLAIM SETTLEMENT SERVICE CHARGE

1. Upon request of a party, person, firm or establishment assuming liability for loss or damage in excess of the mover's liability for a shipment on which credit has been extended by a mover applicable to such shipment, the mover will:
 - (a) Investigate any loss or damage claim;
 - (b) Arrange for the repair of all damaged articles when appropriate and make equitable settlement with shipper for all lost and damaged articles for which repair is not deemed appropriate. The mover assumes only that portion of the amount required to settle the claim for which it is liable and any additional amount is to be borne by the person or firm assuming excess liability; and
 - (c) Render to the person or firm assuming excess liability an invoice payable in seven (7) days for the amount required to settle the claim which exceeds the mover's liability, plus the charge provided for in this item.
2. The charge for all services described shall not exceed \$101.05 per shipment.

NOTE: Any charges or portions thereof for services of others engaged at the request of the person or firm assuming excess liability, which are over and above the amount for which the mover is liable under its bill of lading, will at the expense of such person or firm and will be in addition to all other rates and charges.

**ITEM 96
INABILITY TO MAKE DELIVERY**

1. In all instances where a mover is unable to locate the consignee, notification of inability to make delivery will be mailed, faxed, or emailed to the consignee, consignor, and owner, or written notice delivered to the premises where actual delivery was to be made and to any other notifying address. The shipment will then be placed in the nearest warehouse of the mover or at the mover's option, in a public warehouse. Upon placement in a public warehouse, the mover's liability shall cease and liability shall thereafter be that of the warehouseman in possession.
2. In all instances when the consignee is unable to take delivery or declines to accept delivery of the shipment, or where the shipment remains in the mover's possession pursuant to instructions of the shipper or consignee and is not accorded storage-in-transit under provisions of Item 160, the shipment will be placed in the nearest warehouse of the mover or at the mover's option, in a public warehouse. Upon such placement, the mover's liability shall cease and liability shall thereafter be that of the warehouseman in possession.
3. In cases where a subsequent delivery is made, charges shall be assessed for the subsequent delivery on the basis of rates lawfully applicable from the mover's warehouse or from a public warehouse to point of destination.

**ITEM 100
DELAYS IN PICKUP OR DELIVERY**

1. If a mover agrees with a shipper to pick up a shipment of used household goods on a specified date and/or time and is unable to fulfill that commitment, the mover shall notify the shipper (or person designated by the shipper) by telephone, fax, or email as it becomes apparent that a promised date and/or time will not be met.
2. Whenever a mover is unable to make delivery of a shipment of used household goods on the date or during the time period specified in the shipping order, the mover shall notify the shipper (or person designated by the shipper) by telephone, fax, or email of the date on which the shipment will be delivered. Such notification shall be given not less than 24 hours prior to the date or during the period shown on the shipping order, except when the circumstances causing the delay occur at a later time, in which case the notice shall be given as soon as possible, but in no event more than 24 hours after the occurrence. This requirement shall not apply when the mover is unable to obtain a mailing address, email address, or telephone number for such notification from the shipper.

**ITEM 100 (Concluded)
DELAYS IN PICKUP OR DELIVERY**

3. The shipper may present claims for reimbursement for damages due to mover negligence in failing to: 1) pick up a shipment on the date promised or 2) deliver a shipment on the date or during the time period specified in the shipping order, "Agreement for Moving Services," or other contract of carriage. The mover shall respond in accordance with Item 92, paragraph 15.
4. When requested in writing by the shipper, the mover will pick up a shipment on an agreed date and deliver the shipment within a span of two consecutive agreed dates. If pickup or delivery is not made on agreed dates, the mover shall pay the shipper \$100 per day for each and every day pickup or delivery is delayed. This payment shall be in addition to any claim filed pursuant to paragraph 3 above. A written claim for such allowance shall be made within 30 days of delivery.

EXCEPTION: Shall not apply to shipments weighing less than 5,000 lbs. and/or transported less than 75 miles.

**ITEM 104 *
COLLECTION OF CHARGES**

1. Transportation and accessorial charges may be collected by movers prior to relinquishing physical possession of shipments entrusted to them for transportation. Whether the mover believes other charges are due or not, the mover must unload a shipment at destination upon payment of the Not to Exceed Price, plus all charges on any valid "Change Order for Services" (Change Order). Payment of charges may be made by credit card, which shall be considered to be payment in cash for the purpose of this item (see NOTE).
2. Upon taking sufficient precautions to assure payment of charges, movers may relinquish possession of freight in advance of payment of charges thereon and may extend credit in the amount of charges to those who undertake to pay them, such persons herein being called debtors.
3. Where a mover has relinquished possession of freight and collected the amount of charges represented in the freight bill presented by it as the total amount of such charges, and another freight bill for additional charges is thereafter presented to the debtor, the mover may extend credit in the amount of such additional charges.
4. Freight bills for all transportation and accessorial charges shall be presented to debtors within seven (7) calendar days from the first 12 o'clock midnight following delivery of the freight.

ITEM 104 (Concluded)
COLLECTION OF CHARGES

5. Debtors may elect to have their freight bills presented by means of the United States mail, and when the mail service is so used the time of mailing by mover, as evidenced by postmark, shall be deemed to be the time of presentation of the freight bills.
6. For the purpose of this item, the mailing by debtor of satisfactory means (to mover) of payment of freight charges, such as valid checks, drafts, or money orders, within the allowed credit period may be deemed to be the collection of charges within the credit period. In case of dispute as to time of mailing, the postmark shall be accepted as showing such time.

NOTE: A household mover holding a valid permit from the Bureau of Household Goods and Services has a lien on used household goods and personal effects to secure payment in the amount of the Not to Exceed Price as agreed to in writing by the consignor in accordance with Items 128 and 130, including the amount of any bona fide Change Order issued under Item 120, for transportation and additional services ordered by the consignor. No lien attaches to food, medicine, or medical devices, items used to treat or assist an individual with a disability, or items used for the care of a minor child. Upon payment to the mover of the amount of the Not to Exceed Price plus the amount of any bona fide Change Order, the lien is extinguished and all household goods and personal effects shall be released to the consignee.

ITEM 108
ESTIMATED COST OF SERVICES

1. Mover's Estimated Cost of Services
 - (a) Every mover of household goods may give a shipper an estimate of costs for the proposed services. If an estimate is given, the estimated cost shall be given only after visual inspection of the goods to be moved and shall be in writing.
 - (b) The "Estimated Cost of Services" form (Estimate) shall contain all the information in Item 420. Across the top of each form shall be imprinted in red letters, not less than 1/8-inch high and in capital letters, "ESTIMATED COST OF SERVICES". The note entitled "IMPORTANT NOTICE" indicated in Item 420 shall be imprinted in not less than 10 point, bold, and Universal or Gothic.
 - (c) The estimator shall:
 - (1) Base the Estimate on information contained in the "Basis for Mover's Estimated Cost of Services" as indicated in Items 112 and 400 (see NOTE).

ITEM 108 (Continued) *
ESTIMATED COST OF SERVICES

NOTE: The table of Measurements and Estimate set forth in Item 410 shall also be used in connection with estimating charges based on weight.

(2) Consider all factors affecting the move at origin such as:

- (a) flights
- (b) long carries
- (c) elevators
- (d) hoisting and lowering

(3) Execute required documents completely and properly.

(4) Use cubic measurements no less than those shown for each article on the Table of Measurements and Estimate contained in Item 410 and determine the approximate weight of the shipment by multiplying total cubic feet of the shipment by seven (7) pounds per cubic foot for those shipments whose charges are based on weight.

(d) The Estimate shall be signed by the mover's estimator and duplicate given to shipper.

(e) If total charges calculated in the Estimate exceed total charges calculated using the maximum fixed rate, the estimator shall note the difference in total charges on the Estimate.

(f) The original document shall be retained by the issuing mover, subject to Bureau of Household Goods and Services inspection, for a period of not less than three (3) years from the date of the freight bill or shipping order or from the date of the Estimate if the mover does not perform the transportation.

2. Maximum Charges to Be Assessed by Mover on Estimated Services.

(a) When an Estimate is issued no less than three (3) days before the day of the move, the maximum charge shall be the lesser of the following:

- (1) The amount of the Estimate, plus the charges on a "Change Order for Services," (Change Order) if applicable, which may exceed the charges calculated using the maximum fixed rate.
- (2) The charges calculated using the rates quoted in the "Agreement for Moving Services" (Agreement), multiplied by the actual units of measurement.

NOTE: Rates quoted on a Change Order to an Estimate may exceed maximum fixed rates when both the Change Order and Estimate are issued no less than three (3) days before the day of the move.

ITEM 108 (Concluded)
ESTIMATED COST OF SERVICES

EXCEPTION to 2(a): If the mover and shipper agree, the amount of the Estimate will be both the maximum and minimum amount due for services described in the Estimate, the amount charged will be the amount of the Estimate.

Agreement between the mover and shipper must be noted on both the Estimate and the Agreement by the mover applying minimum weights, hours, or dollar amounts, producing a price equal to the total Estimated Cost of Services. In this case, weighing the load or recording hours is not required.

- (b) When an Estimate is given less than three (3) days before the day of the move, the maximum charge shall be the lesser of the following:
- (1) The amount of the Estimate (plus the charges on a Change Order, if applicable), which shall not exceed the charges calculated using the maximum fixed rate.
 - (2) The charges calculated using the rates quoted in the Agreement, multiplied by the actual units of measurement.

NOTE: No less than three days before the move means on or before the third day of the move. For example, if Saturday is the day of the move, to exceed maximum fixed rates, the Estimate must be given on or before Wednesday.

ITEM 112
BASIS FOR MOVER'S ESTIMATED COST OF SERVICES

1. The mover shall complete the "Basis for Mover's Estimated Cost of Services" (Basis for Estimate) only after the estimator visually inspects the goods prior to determining the estimated cost of requested services. Such document shall be signed by the shipper or shipper's representative and a duplicate given to the shipper.
2. The Basis for Estimate shall contain all the information set forth in Item 400. Across the top of each form shall be imprinted in red letters, not less than 1/8-inch high in capital letters, "BASIS FOR MOVER'S ESTIMATED COST OF SERVICES". The contents of the form shall also contain two shipper statements as indicated in Item 400, imprinted in letters not less than 10-point bold, Universal or Gothic.
3. The original document shall be retained and preserved by the issuing mover, subject to Bureau inspection, for a period of not less than three (3) years from the date of the freight bill or shipping order, or from the date of the Basis for Estimate if the mover does not perform the transportation.

**ITEM 116
TABLE OF MEASUREMENTS AND ESTIMATE**

1. The mover shall complete the Table of Measurements and Estimate when estimating charges on any shipment that will include service for which rates in this Tariff are based on weight or cubic feet.
2. The "Table of Measurements and Estimate" shall be in the form set forth in Item 410 or a form containing the complete contents of Item 410 (see NOTE).
3. The "Table of Measurements and Estimate" contained in Item 410 shall be printed on the reverse side of "Basis for Mover's Estimated Cost of Services" contained in Item 400.
4. The total cubic footage determined under the provisions of this item shall be multiplied by seven (7) to determine total approximate weight in pounds.

NOTE: Forms prepared or completed electronically on the job will be acceptable provided all requirements of this item are met.

**ITEM 120
CHANGE ORDER FOR SERVICES**

1. If shipper asks for additional services or adds additional articles to the shipment, not covered in the "Basis for Mover's Estimated Cost of Services" or the Not to Exceed Price on the "Agreement for Moving Services" (Agreement), the mover shall prepare in duplicate a "Change Order for Services" in the form contained in Item 440. Such document shall be signed by the mover and shipper prior to commencement of performance of any specified service and the signed original delivered to shipper prior to or at time service is begun. The document shall contain the following information:
 - (a) Date.
 - (b) Shipping order/bill of lading number.
 - (c) Name, address and CAL-T number of mover or movers.
 - (d) Description of additions to the shipment (itemize additional articles only).
 - (e) Description of additional transportation and accessorial services to be performed (including number of helpers and number of packers to be provided).
 - (f) Rates to be applied to additional articles or services.
 - (g) Valuation of shipment, if different from that provided on the Agreement (subject to Item 136).
 - (h) The following statements, placed in an appropriate area of the document in letters not less than 10-point bold, Universal or Gothic:

**ITEM 120 (Concluded)
CHANGE ORDER FOR SERVICES**

(1) THIS WILL CERTIFY AND ATTEST THAT SHIPPER OR SHIPPER'S REPRESENTATIVE AS SHOWN ON ORDER FOR SERVICE NO. _____ DATED _____ WITH (MOVER'S NAME) _____ REQUESTS THE ADDITIONAL SERVICES AND CHARGES AS INDICATED ON REVERSE OF THIS FORM.

(2) THE ARTICLES LISTED WILL BE INCLUDED IN THE VALUATION DECLARED IN THE AGREEMENT FOR MOVING SERVICES UNLESS A CHANGE IS REQUESTED.

(3) I UNDERSTAND THAT I MAY BE REQUIRED TO PAY FOR THE SERVICES REQUESTED ABOVE AT TIME OF DELIVERY. THESE CHARGES ARE IN ADDITION TO THOSE CHARGES SET FORTH IN THE ESTIMATED COST OF SERVICES AND/OR AGREEMENT FOR MOVING SERVICES. MOVER IS NOT REQUIRED TO EXTEND CREDIT IN THE AMOUNT OF THE CHARGES ACCRUED FOR THE ABOVE ADDITIONAL SERVICES. I HAVE READ THIS CONTRACT AND AGREE WITH THE PROVISIONS HEREIN, AND HAVE RECEIVED A COPY.

(i) The following statement placed in an appropriate area of the document in letters not less than 12-point bold, caps:

I UNDERSTAND THAT THE COST FOR SERVICES RENDERED WILL "NOT EXCEED" _____.

(Initial)

(j) Signature of mover and shipper or shipper's representative.

2. A duplicate document shall be retained and preserved by the issuing mover, subject to Bureau of Household Goods and Services inspection, for a period of not less than three (3) years from date delivered.

**ITEM 128
AGREEMENT FOR MOVING SERVICES**

1. The mover shall prepare an "Agreement for Moving Services" (Agreement) for all shippers who provide information in sufficient detail for the mover to complete the Agreement, regardless of shipper commitment to engage services of that mover. An original or copy of such document shall be delivered by mail, or other convenient means, to shipper no less than three (3) days before the day of the move. Failure to deliver the Agreement in a timely manner or to complete the document as required herein will result in rates being assessed in accordance with Item 28, paragraph 3. Such document shall be complete in details, including the mover's initial signature

ITEM 128 (Continued)
AGREEMENT FOR MOVING SERVICES

binding the mover to the quoted rates. The Not to Exceed Price and mover's final signature must be added no later than the day of the move, but prior to performing any service in commencement of the move.

NOTE: No less than three (3) days means the Agreement must be in the hands of shipper on the third day before the day of the move. For example, if Saturday is the day of the move, the Agreement must be in the hands of shipper on Wednesday.

EXCEPTION 1: If shipper's first contact with the mover is less than three (3) days before the day of the move, the Agreement may be completed on the day of the move.

EXCEPTION 2: No less than three days before the move begins, the mover must provide the shipper with either a completed Agreement (except for the Not to Exceed Price and final mover signature) or a blank Agreement so a shipper who elects to waive advance receipt of the Agreement can still see the other standard terms, conditions, and limitations printed on the Agreement and be informed of what items (e.g., written rate quotation) are being waived. The shipper's signature waiving advance receipt of the Agreement may be obtained on the day of the move, but issuance of a fully completed Agreement on the day of the move before the move begins, including the Not to Exceed Price, can never be waived.

EXCEPTION 3: For multiple or repeat shippers, a Master Agreement may be used to cover all moves for that shipper rather than individual agreements for each move. Such Master Agreement must accomplish the purpose of this Tariff, not violate the intent of the Tariff, and shipping documents must reference the Master Agreement where appropriate.

2. The Agreement shall be signed by the mover and shipper prior to commencement of performance of any specified service, and the signed original or duplicate delivered to shipper prior to or at time service is begun. Such document shall contain the following information:
 - (a) Name, address and CAL-T number of mover or movers.
 - (b) Date move is tendered.
 - (c) Date Agreement issued.
 - (d) Date and time of pickup requested or other arrangement.
 - (e) Names of shippers and consignees.
 - (f) Name, address or telephone number of party to be notified (see NOTE 1).
 - (g) Description of notification and delivery arrangements.

6. When Actual Cash Value protection is ordered in writing by the shipper or if protection defaults to Actual Cash Value up to \$20,000 because no value is declared, the mover shall guarantee recovery for articles lost and damaged while in its possession at the actual cash value up to the declared value, or if none, \$20,000.

The maximum fixed rate for Actual Cash Value protection provided by the mover will be \$1.00 for each \$100 (or fraction thereof) of the declared value. An additional valuation charge for storage-in-transit shall apply (see NOTE 3).

7. In such instances, the mover must incorporate the instructions by reference to the document in (a) or (b) above in the Agreement in lieu of the personal signature and handwritten statement relating to declared rates.

NOTE 2: For multiple or repeat shippers, a Master Agreement may be used to cover all moves for that shipper rather than individual Agreements for each move. Such Master Agreement must accomplish the purpose of this Tariff, not violate the intent of the Tariff, and the shipping documents must reference the Master Agreement where appropriate.

NOTE 3: On shipments accorded storage-in-transit under the provisions of Item 160, separate valuation charges may be assessed for the transportation from initial point of origin to point of storage and for the transportation from point of storage to point of destination.

NOTE 4: When the move's vehicle is held for the convenience of shipper or consignee through no fault of the mover in connection with shipments moving or to be moved under this item, one hour of free time shall be allowed. A charge at the hourly rates contained in Item 320 will be assessed for each hour, or fraction thereof, in excess of the one-hour free time period.

NOTE 5: Rates named in this item apply in connection with shipments accorded split pickup, split delivery, and both split pickup and split delivery.

IMPORTANT NOTICE ABOUT YOUR MOVE

IT IS VERY IMPORTANT THAT YOU ONLY AGREE TO A "NOT TO EXCEED" AMOUNT THAT YOU THINK IS A PROPER AND REASONABLE FEE FOR THE SERVICES YOU ARE REQUESTING. THE "NOT TO EXCEED" AMOUNT THIS MOVER IS REQUESTING IS \$_____ to perform the following services:

IF YOU DO NOT AGREE TO THE "NOT TO EXCEED" AMOUNT LISTED OR THE DESCRIPTION OF SERVICES, YOU HAVE THE RIGHT TO REFUSE THE MOVER'S SERVICE AT NO CHARGE TO YOU.

If you request additional or different services at the time of the move, you may be asked to complete a "Change Order for Services" (Change Order), which will set forth your agreement to pay for additional fees for those newly requested services. If you agree to the additional charges on that Change Order, those charges may be added to the "NOT TO EXCEED" amount set forth above. If you do not agree to the amounts listed in the Change Order, you should not sign it and may refuse the mover's services.

A mover cannot refuse to release your goods once you have paid the "NOT TO EXCEED" amount for the transportation of your goods and personal effects and any additional services that you have agreed to in writing. The "NOT TO EXCEED" amount must be reasonable.

A mover cannot, under any circumstances, withhold food, medicine, medical devices, items to treat or assist a disabled person, or items used for care of a minor child. An unlicensed mover has no right to withhold your goods for any reason including claims that you have not adequately paid for services rendered.

For additional information or to confirm whether a mover is licensed by the Bureau of Household Goods and Services (Bureau), please call the Bureau at (833) 488-2327 or check the Bureau's license lookup on www.bhgs.dca.ca.gov.

HOUSEHOLD GOODS (within California)**

ABOUT THIS BOOKLET

This booklet has been prepared by the Bureau of Household Goods and Services (Bureau) to offer guidelines and recommendations for moving and to explain the obligations (regulations) of moving companies in California. The Bureau requires this information be provided without charge by household movers to persons planning to move between points in California. The mover ultimately performing your move must (1) provide this booklet to you at the first in-person contact, (2) mail the booklet to you (time allowing) if the move was arranged and confirmed by mail or telephone and no in-person contact is made prior to the day of the move, or (3) obtain your assurance that you received it from some other source. In any case, you must initial a statement on the Consumer Protections and/or Waivers section of the "Agreement for Moving Services" (Agreement) indicating you have received the booklet. If your mover does not ensure you have this booklet, you are eligible for a \$100 refund from your mover.

INTRODUCTION

This material is designed to give you the information necessary to ensure a well-planned, uncomplicated move. Throughout this document you will be referred to as "you" or the "shipper." The moving company will be called either the "carrier" or the "mover."

ITEM 470 (Continued) */**
IMPORTANT INFORMATION FOR PERSONS MOVING
HOUSEHOLD GOODS (within California)

The Bureau has rules governing how much the mover can charge you for its services. The specific government rules, regulations and rate limitations for movers within California are provided in the Bureau's Maximum Rate Tariff 4. A copy of the Maximum Rate Tariff 4 and all forms and documents used by the mover can be examined the mover's place of business, the Bureau office located at 4244 South Market Court, Suite D, Sacramento, CA 95834, or on the Bureau's website, www.bhgs.dca.ca.gov. In addition, you may call 1-833-488-2327 for information on the maximum rate program.

California moves require much paperwork. You should read all forms and be sure they are completely filled out before you sign. Always get a copy of everything you sign.

If you have a problem about a move within California that you and the mover cannot resolve, please call the Bureau.

HOW TO CHOOSE A MOVER

Most licensed moving companies are listed in classified telephone directories, newspapers, and other local advertising. When consulting written advertisements, avoid contacting movers whose license number (Cal "T-No."), issued by the Bureau, is not shown. Such movers are probably not licensed or insured against loss or damage. You may want to ask friends who have recently moved if they can recommend a moving company. Additionally, some realtors may advise you based upon their customers' experiences. Mover associations, business groups, chambers of commerce, and consumer organizations may also be a source of information. Once you have the names of possible moving companies, you may call the Bureau at 1-833-488-2327 or check the Bureau's licensee lookup at www.bhgs.dca.ca.gov to determine whether the movers are licensed and insured and whether the Bureau has issued citations or taken legal actions against the movers. You should also get written estimates to compare the prices and services of different moving companies to help you select a mover.

Be sure to obtain the complete and correct moving company name, T-number (Bureau license number), address and telephone number of the mover you select to move your belongings, and keep the mover informed as to how and where you may be reached at all times until the shipment is delivered.

MAXIMUM RATES

All rates and charges are subject to Bureau-set maximums. Normally, movers will not exceed these maximums; in fact, most movers charge less. However, there may be circumstances under which a mover must issue you a written "Estimated Cost of Services" (Estimate) no less than three days prior to moving day, indicate that maximum rates will be exceeded on the move and obtain your consent to the rates to be charged. If these procedures are not followed, the mover may not exceed Bureau maximum rates.

ITEM 470 (Continued) *
IMPORTANT INFORMATION FOR PERSONS MOVING
HOUSEHOLD GOODS (within California)

ESTIMATES AND COSTS

You should request a written estimate from two or more movers so you can compare prices. Written estimates are binding on the mover. All written estimates must be based on a visual inspection of goods and must show total estimated charges. A verbal or online rate quotation (how much it will cost per 100 pounds or per hour) is not an Estimate. **Remember, verbal and online quotes are not binding. To avoid problems in the long run, get any total cost estimates in writing!**

In describing your wishes, be as consistent as possible with each mover you talk to; this will make it easier to compare Estimates. Be sure to tell the prospective movers about all of the goods you want moved, any special services you require and conditions affecting pick-up and delivery (e.g., stairs, narrow road). It is especially important to tell the movers everything about your new home that may affect your move. This ensures a more accurate estimate of cost and reduces the chance of misunderstandings and/or unexpected charges on moving day.

A mover's rates for long-distance moves are based on miles, which are miles accounting for driving conditions. If the move is over 100 miles, it is considered a long-distance move and must be charged on a weight and mileage basis. If your move is 100 miles or less, it is considered a local move and is usually charged by the hour. On local moves that can be completed in a few hours, some movers may not consider it feasible to visually inspect and give you a written Estimate and will quote you the hourly rate. You should consider contacting other movers to get a written Estimate of the total cost.

In certain circumstances, some movers may have minimum charges. For example, on hourly moves, a mover may charge a minimum of four hours even if your move takes only two or three. Similarly, on distance moves, a mover may charge for a minimum weight of 5,000 pounds. So, even if the total weight of your shipment is 3,000 pounds, you may be charged for 5,000 pounds.

Movers normally will charge for packing and unpacking services provided. On distance-rated shipments there may be an additional charge for elevators and flights of stairs past the first floor (except in a single-family home). If it is impossible for the mover to park so that the tailgate of his vehicle is within 75 feet of the front door, a long carry charge may apply.

If you add items or request services not included in the Estimate, the mover will provide a "Change Order for Services" (Change Order) either at the time of pickup or before performing services, and of course, you pay for these additional services. Make sure the form is filled out before you sign and don't forget to keep a copy. **Do not sign a blank Change Order.**

ITEM 470 (Continued)
IMPORTANT INFORMATION FOR PERSONS MOVING
HOUSEHOLD GOODS (within California)

The Bureau wants to ensure that you know the cost of your move in advance and that you do not pay an excessive price for the move. Before your move begins, the mover must inform you of a Not to Exceed Price for your move and cannot charge you more than that price unless you add items or request additional services not previously included in your Agreement. This Not to Exceed Price must be written on the Agreement along with any minimums that may apply and specific details of the move.

If you have an Estimate, the amount of the Estimate is the highest price you can be charged and should be the Not to Exceed Price written on the Agreement. However, any charges on a Change Order will be added, as discussed above.

If you do not have an Estimate, the highest price you will pay is the lesser of (1) the Not to Exceed Price, subject to maximum fixed rates, plus any Change Order charges or (2) the charges calculated using the rates quoted in the Agreement.

INVENTORY REPORT

An inventory (or inventory report) is a list of items and their current condition. When the mover arrives to pick up your goods, you may request an inventory of all articles you want shipped. A complete and specific inventory report is a business-like procedure for you and the mover. While common for distance moves, an inventory report is not normally prepared for hourly moves. Be aware that if yours is an hourly move you may be charged for the time it takes to prepare the inventory report.

In preparing the inventory list of your furniture and other goods, the mover will note the condition of each article in a code explained at the top of the form: e.g., "G" for gouged. Make sure you and the mover agreed about the condition. If you disagree, make your own notation on the inventory list; otherwise, you may have difficulty securing compensation should damage occur.

Similarly, your personal participation is recommended when your goods are delivered. If an item is missing or damaged, tell the mover and mark it on both the mover's and your copy of the inventory sheet. Check all cartons carrying china, glassware, and other fragile items for damage before the mover leaves.

When delivery is complete, you should sign the inventory sheet and delivery receipt, noting any lost or damaged items. This will simplify processing of any future claims. However, failure to do so in no way affects your right to make a claim and to have the claim considered on its merits.

PICKUP AND DELIVERY DATES

If the mover agrees to pick up your goods on a particular day and/or at a specified time, every effort must be made to meet that commitment. If, for some reason, the time or

ITEM 470 (Continued)
IMPORTANT INFORMATION FOR PERSONS MOVING
HOUSEHOLD GOODS (within California)

date cannot be met, the mover must notify you (or the party you designate) by telephone, email, or fax, at the mover's expense, as soon as it becomes apparent that the pickup will not be at the time promised.

If delivery of your goods is delayed, the mover must notify you at least 24 hours in advance (at mover's expense by telephone, email, or fax), at the address or telephone number you have provided.

For moves weighing 5,000 pounds or more and/or transported 75 miles or more, you may request the mover to pick up a shipment on an agreed date and deliver it within an agreed upon span of two consecutive days. If pickup is not made on the agreed upon date and delivery within two (2) days of the agreed date, the mover must pay you \$100 per day for each and every day of delay. This is in addition to any other claim you make. You must request this service in writing and any claim for failure to deliver on the agreed date must be made in writing within 30 days of delivery (See "How to File a Claim").

Claims for reimbursement for damages because of mover negligence in failing to pick up or deliver your shipment on the agreed-upon date or period of time specified in the Agreement and shipping order should be handled like any other claim for loss or damage (See "How to File a Claim").

PACKING AND OTHER PREPARATIONS

You may wish to save money by packing some or all of your own household goods; however, you should be aware that in the event of breakage you will have to show damage occurred because of the mover's negligent handling and not your packing. In case there is damage, always save the box, the contents and the packing materials to facilitate claims handling.

Never pack matches, flammables (such as propane tanks) or other dangerous articles (see the last page of this booklet for more examples of things not to include in your move). It's a good idea to empty, defrost and dry refrigerators and freezers. Set aside jewelry, money, vital documents and valuable small items in a safe place, not accessible to anyone entering either your old or your new residence.

Do not ship jewelry, money, important papers or other valuable personal articles unless you make written arrangements with the mover. It is best to carry these items with you.

It is up to you to make such preparations as disconnecting major appliances, providing special services to protect them during the move and removing items attached to walls

ITEM 470 (Continued)
IMPORTANT INFORMATION FOR PERSONS MOVING
HOUSEHOLD GOODS (within California)

or floors such as draperies and tacked-down carpets. Some moving companies will provide these services for a fee, or they can suggest firms in the local area to assist you.

AGREEMENT FOR MOVING SERVICES

In addition to other items, the Agreement shows: the mover's name, Bureau license number (T-number), address, and telephone number where you can reach him or her; the address and the telephone number where the mover can contact you about the move; the location where your goods are being moved; the date of loading or pickup and the preferred date of delivery; a summary description of the move (i.e., a general description of items to be included or excluded and services to be provided); the declared value of your goods; the rates upon which the charges are based and any minimums the mover may have; and the Not to Exceed Price, which is the highest charge that may be assessed for the various services to be performed, plus any additional charges as requested on a Change Order.

The mover is required to complete the Agreement (except for the Not to Exceed Price), sign it, and give it to you no less than 3 days before day of the move, unless arrangements to move are made less than 3 days in advance of the moving date or you agree to waive the requirement. This gives you time to review it and ask for an explanation of any unclear items. For example, if you are moving on a Saturday, you should get the Agreement on Wednesday.

Before your move begins, the mover must fill in the Not to Exceed Price on the Agreement and both you and the mover must sign it.

WEIGHING YOUR GOODS

When your charges are based on weight, the moving van will be weighed by a certified weighmaster on a certified scale before and after loading. You may observe the actual weighing or you may ask the mover to notify you of the charges by telephone, email, or fax as soon as the goods are weighed. You should request copies of the weight information before and after loading. If you have any reason to question the reported weight, you may ask for a reweigh before delivery.

No extra charge will be made for reweighing IF the difference between the two net scale weights exceeds 100 pounds on shipments weighing 5,000 pounds or less or exceeds two (2) percent of the lower net scale weight on shipments weighing more than 5,000 pounds. The lower of the two net weights must be used in determining the charges. If you request a reweigh and the difference between the weights is not as described above, you may be required to pay for the reweighing.

ITEM 470 (Continued)
IMPORTANT INFORMATION FOR PERSONS MOVING
HOUSEHOLD GOODS (within California)

PROTECTING YOUR GOODS

Already included in the mover's rates is protection against possible loss or damage at 60 cents per pound per article. You may choose to purchase additional protection and set the value on your belongings for an amount that makes you comfortable. Be sure to check any insurance policies you have before paying for additional protection. If you are unsure, call your insurance agent.

The mover may charge you for the level of protection and the value you place on your goods. Actual cash value protection covers the depreciated value of your goods and is determined by such things as the cost of the item new, its age, its condition when received by the mover, and the value you declare. Full value protection usually costs more since it will cover the replacement cost of any lost or damaged item. The mover may opt to replace, reimburse or repair the damaged item, according to the protection level you choose. Remember to declare items of extraordinary value. If you fail to do this, the mover may not be liable for the full value of those items regardless of the level of protection you choose. In addition, your goods are protected while they are stored-in-transit at your request, and your mover may charge an additional valuation rate for that service. However, if the storage-in-transit is undertaken for the mover's convenience, you will not be charged for this additional protection.

The Agreement includes a section entitled "Consumer Protections and/or Waivers" on which you must declare the value of your shipment and choose a level of protection. If you fail to do so, your goods will be automatically protected for actual cash value up to \$20,000. You may be charged for this protection, at the rate for each \$100 (or fraction thereof) of declared value, as stated on the Agreement. If no valuation charge is stated, the rate is \$0 (zero) per \$100 of declared value. Your protection level choices are explained below.

- a. Basic Coverage at 60 cents per pound per article ensures recovery at 60 cents multiplied by the weight of the item or the carton it's packed in. Thus, if an item weighing 20 pounds is lost or damaged, you can recover \$12.00 for that item (60 cents x 20 pounds). This is very minimal protection and your goods are probably worth considerably more. This protection is included in the mover's rate.
- b. Actual Cash Value protection ensures recovery at the actual cash value (i.e., fair market value of your lost or damaged item(s), up to the total value you declare. The mover may charge for actual cash value protection and will state the rate on the Agreement.
- c. Full Value protection ensures recovery at the full value (i.e., replacement value) of your lost or damaged item(s), up to the total value you declare. The mover may offer deductibles in combination with full value protection. You are responsible for deductibles unless an item is lost by the mover; refer to section

ITEM 470 (Continued)
IMPORTANT INFORMATION FOR PERSONS MOVING
HOUSEHOLD GOODS (within California)

on Limitations on the Mover's Liability. The mover may charge for full value protection and will state the rate on the Agreement.

LIABILITY FOR VALUABLES

Items of extraordinary value, such as antiques, art objects, gold or silver articles, etc., should be separately described on the inventory and a value declared for each. Be sure to list the items by description and value on the shipping document. It's best not to ship money, jewelry, important papers or other valuable personal articles. Keep such items out of the reach of others and take them with you.

LIMITATION ON THE MOVER'S LIABILITY

The mover is not liable in a claim for loss or damage to articles in the following situations:

- a. change in condition or flavor of perishables;
- b. loss or damage caused by the shipper, including improper packing;
- c. defect or inherent vice of the article, such as susceptibility to atmospheric changes;
- d. insects, moths, vermin, ordinary wear and tear, or gradual deterioration;
- e. mechanical or electrical derangement of musical instruments, electronic components or appliances, if there is no sign of exterior damage;
- f. loss or damage caused as a result of any strike, lockout, labor disturbance, riot, civil commotion, or any act of any person or persons taking part in any such occurrence or disorder;
- g. hostile or warlike action in time of peace or war;
- h. breakage caused by normal handling of china, glassware, bric-a-brac, or other similar items, unless packed by the mover;
- i. liability of mover for loss or damage shall be subject to your compliance with the rules for filing claims.

For more information regarding limitations on the mover's liability, please see the PUC General Order 136-C, which you may get from the Bureau of Household Goods and Services.

IF YOU HAVE LOSS OR DAMAGE

If your goods are lost or damaged, be sure you describe such loss and damage by making notations on the mover's shipping order or freight bill. If the driver refuses, you should report this fact and the condition of the articles in writing to the home office of the mover. Neither of these actions constitute filing a claim, but are made to support a claim to be filed later, as described below.

ITEM 470 (Continued)
IMPORTANT INFORMATION FOR PERSONS MOVING
HOUSEHOLD GOODS (within California)

If you intend to file a claim for loss or damage to your goods, be aware that one of the required documents in support of your claim is a copy of the paid freight bill. This means that before you may file a claim with the mover for loss of or damage to your goods, you must pay the mover for all charges due for transportation services. This is because the handling and settlement of a loss or damage claim is a matter separate from the performance of and payment for the transportation service itself. If you do not pay the transportation charges, the mover may not honor your claim.

HOW TO FILE A CLAIM

To file a claim, you must:

1. Write the home office of the mover and describe the loss or damage;
2. List separately the lost or damaged items;
3. Note the exact amount you are claiming for each lost or damaged item; and
4. Give the date of your move, the origin and destination and the mover's order number.

If the damage is to packed items, you should retain the box, its contents and the packing materials. This is especially important if you did the packing since you will have to show that bad packing was not the cause of the damage.

Providing copies of documents such as store receipts for the lost or damaged items and professional estimates for repair will speed the processing of your claim.

You should also retain copies of all correspondence with the moving company. In addition, all correspondence addressed to the moving company should be sent by Registered Mail, return receipt requested, to evidence receipt of your claim by the mover.

Your claim must be filed in writing, within nine (9) months after delivery of the goods or within nine (9) months after a reasonable time for delivery has elapsed. Specific rules are set forth in Maximum Rate Tariff 4. The mover is required to acknowledge claims in writing within 30 days and must pay, decline to pay or make a firm compromise settlement within 60 days of receipt of your claim. If some reason beyond the mover's control delays action for a longer time, the mover is required to notify you in writing within 60 days of receipt of your claim as to its status and the reason for delay (with copy to the Bureau) and again every 30 days thereafter until final action is taken. If the mover fails to respond to your claim within the time limits and in the manner described in this paragraph, you should contact the Bureau immediately at (833) 488-2327. (See Maximum Rate Tariff 4, Item 92, for more information on filing claims.)

ITEM 470 (Continued)
IMPORTANT INFORMATION FOR PERSONS MOVING
HOUSEHOLD GOODS (within California)

The Bureau has no authority to compel movers to settle claims for loss or damage and will not undertake to determine whether the basis for, or the amount of, such claims is proper, nor will it attempt to determine the mover's liability for such loss or damage.

If both you and the mover consent, the claim may be submitted to an impartial arbitrator for resolution. You may also commence a suit in small claims court or other court of law. If arbitration or civil action result in a decision in your favor and the mover fails to comply, contact the Bureau.

IF YOUR NEW HOME IS NOT READY

If you cannot move into your new home or apartment immediately, you may wish to have your goods moved from your present residence and held in storage for later delivery. For a storage period of 90 days or less, you can request Storage-in-Transit. Separate charges will be assessed for the transportation to your new residence. Storage and handling charges will be assessed for this service and it will be covered by the terms and conditions of your Agreement with the moving company.

If you do not request Storage-in-Transit, or if your storage period exceeds 90 days, your goods will be subject to rates, terms, and conditions set by the local warehouse. **The service will be under separate contract with the warehouseman and not regulated by the Bureau.**

PAYING FOR YOUR MOVE

Most movers insist that you pay in cash, by money order, or certified check; however, you may arrange in advance for the mover to extend you credit. If the mover will accept payment by credit card or personal check, be sure this arrangement is noted on the Agreement.

A mover holding a valid permit from the Bureau has a lien on your goods to secure payment of the moving charges you agreed to in writing before the move began plus the charge for any additional services you requested on a bona fide Change Order For Services (the lien does not apply to food, medicine, medical devices, items used to treat or assist an individual with a disability, or items used for the care of a minor child). Once you pay these authorized charges, the lien is extinguished and the mover must release all of your goods. If the driver requires payment greater than the authorized charges, you should contact the mover about what may be an overcharge. If the matter cannot be resolved to your satisfaction, call the Bureau for assistance at (833) 488-2327.
